LZ STATIONERY CO., LTD.

Imagination is like magic

Founded in 2008, LZ Stationery Co., Ltd. is specialized in manufacturing creative and high end quality products.

Our factory has 72,000 square meters manufacturing facility and more than 300 employees. We have automatic production lines for eraser products, booklets and pen products, from raw materials, molding, printing, assembly to final packaging.

Our factory has passed BSCI, ISO9001 and other factory inspections. We own more than 300 patents. Our products conform to international environment -friendly quality and have gained both European "EN71" Standard Certificate and "ASTM"&"CPSIA" certificates for USA. With exceptional quality and reasonable cost, our products are widely sold in South Korea, Saudi Arabia, Spain, Poland, Turkey, Japan, Germany, Israel, USA and many other countries.

Because of excellent product quality and exceptional product development capabilities, LZ has established partnership with many internationally renowned IP companies, and gained license from many popular IPs in the Chinese market, including Hello Kitty, Melody, Kuromi, Ultraman, Doraemon, Barbie Doll, Corner Friends, Kamen Rider, etc., which has further led to the super popularity for the brand IIGEN.

We have the flexibility, creativity and passion to provide you the best products and service. We look forward to developing a partnership with you soon!
